(1) Our goal is to plan one Tuesday, one Friday and two Saturdays (Saturday is the best attended) throughout October, November, January and March (same schedule as last year).

(2) Jason Stanton is not interested in Chairing this event, but is happy to assist anyone that is. There are plenty of notes and event maps that will make this easier to plan this year. It's 'not his thing'. The feedback from the event was that it might be better to hold this in November and on a Saturday morning/afternoon and more promotion outside of Ashburnham is needed. If anyone is interested in volunteering for the event please let Jason Stanton know ASAP.

(3) The snow date for the Dance Party would be Valentine's day and the following Friday would be during school vacation. I'm not sure if we should just hope it doesn't snow, or plan ahead and schedule it for Jan 31st with a snow date of Feb 7th. Also, if we do this in January, we could push Bingo to December 13th to space out the events a little better.

(4) The 11th is the day before Easter... I think we should avoid this. Many people travel or will be preparing for Easter. The 4th will be the Community Road Race & Benefit so we can't do it that day.
